Heating Solutions

OUR SERVICE FOR COOLING TOWERS

We provide excellent service to ensure that your cooling towers operate smoothly for many years, regardless of type or brand. We understand that downtime is not an option for your business processes.

Regular maintenance and short turnaround times in case of emergency intervention keep these downtimes to a minimum.

INSPECTION AND MAINTENANCE

Periodic inspections are the instrument for assuring yourself of problemfree cooling tower operation.

Kelvion offers a choice of two service models:

INSPECTION CONTRACT

- ▶ Check of cooling tower by Kelvion experts
- ▶ Findings are recorded in a detailed report
- ▶ Maintenance recommendations

INSPECTION & MAINTENANCE CONTRACT

- ▶ All maintenance is covered
- ▶ Comprehensive solution where Kelvion adapts the maintenance programme to customers' requirements and schedule
- ▶ Clear agreements

CERTIFICATIONS

Kelvion works in accordance with the requirements described by the following:

MORE THAN 30 SERVICE LOCATIONS WORLDWIDE

Kelvion Service starts from our first contact with you and continues after your order has been delivered, with us as your reliable service partner. Thanks to our worldwide service centers, we are always close to you.

ALL BRAND SERVICE

Besides being experts in our own products and our former brands, we also have the expertise to service other brands.

SERVICE PORTFOLIO | COOLING TOWERS

EARLY LIFE

- ▶ Fan balancing / Vibration measurements
- ▶ Alignment gearbox
- ▶ Noise reduction
- ▶ Thermal capacity measurements

REPAIRS, OVERHAULS & MAINTENANCE

- ▶ Annual inspection and maintenance contribute to optimal and safe operation of your cooling towers
- ▶ Vibration measurements
- ▶ Inspection report with photos and advice on improvements, if required. This helps to eliminate unnecessary repair costs in the future and improves the reliability of your cooling installation
- ▶ Cleaning & disinfection of cooling towers

UPGRADES & REPLACEMENTS

- ▶ Replacement of cooling packages due to fouling, brittleness or aging
- ▶ Replacement of drives
- ▶ Coordination, planning and supervision of projects

SPARE PARTS & SPARE PART SOLUTIONS

- ▶ Wide range of competitively priced spare parts
- ▶ Quickly delivery to your technical department
- ▶ Onsite support by a Kelvion technician to install the spare part

MONITORING, CONSULTING & TRAINING

- ▶ Check of the condition of the mechanical and hydraulic parts during inspection-maintenance intervals
- ▶ Check of water quality
